Track learners

Choose from a wide range of data sources and support learners with feedback.

Customise your reports

And specify metrics you want to track.

Share your reports

with stakeholders within your organisation and schedule your reports to be sent automatically.

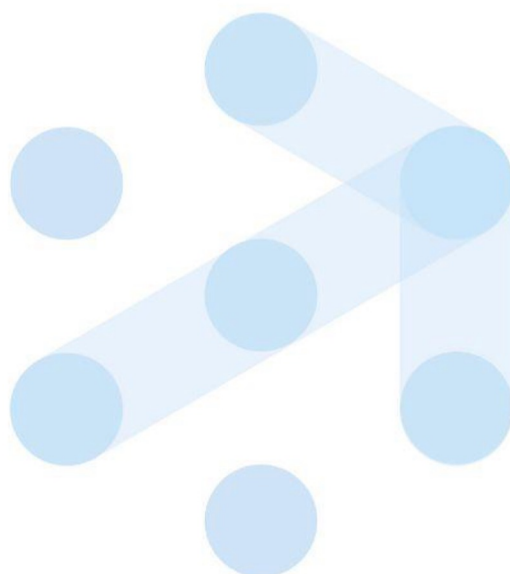

Export your reports

In different formats (pdf, xls, word, etc.).

Dynamic rules

MANAGE YOUR **CONDITIONS** AND **ACTIONS**:
NOTIFICATIONS, REGISTRATIONS,
CERTIFICATIONS, SKILLS, ETC.

Dynamic registrations

Sabrina is new to the company and belongs to a specific department.

Notification and registration

The new employee is welcomed and invited to follow the induction training programme.

Managing delays

Mark, who serves as Head of IT Security, is behind on his certification.

Alert and re-engagement

A notification is sent, with a copy to their manager, inviting them to finalise their journey.

Completing a journey

Sabrina, from Human Resources, has completed her Level 1 certification.

Rewards and more

Delivery of certificate and automatic enrolment for level 2 certification.

Certification in Workplace

CREATE CERTIFICATION PROGRAMMES
WITH DEADLINES AND KEEP TRACK OF
YOUR EMPLOYEES' COMPLIANCE.

Mathilde is new

She must complete her
compliance training to
do her job.

Training

Mathilde begins her
certification. She has two
weeks to complete it.

Automatically

A dynamic rule registers
Mathilde and invites her
to take the certification course.

Certification

Mathilde is certified. She obtains a certificate, which is valid for one year.

Late

Mathilde takes longer and is late. A dynamic rule alerts her and her manager.

Re-certification

A year on, Mathilde is once again invited to remain certified.

Training courses

Attractive and fun

MOODLE OFFERS A RANGE OF LAYOUTS
ALLOWING YOU TO STRUCTURE A COURSE
ACCORDING TO AVAILABLE CONTENT AND
TARGET AUDIENCE.

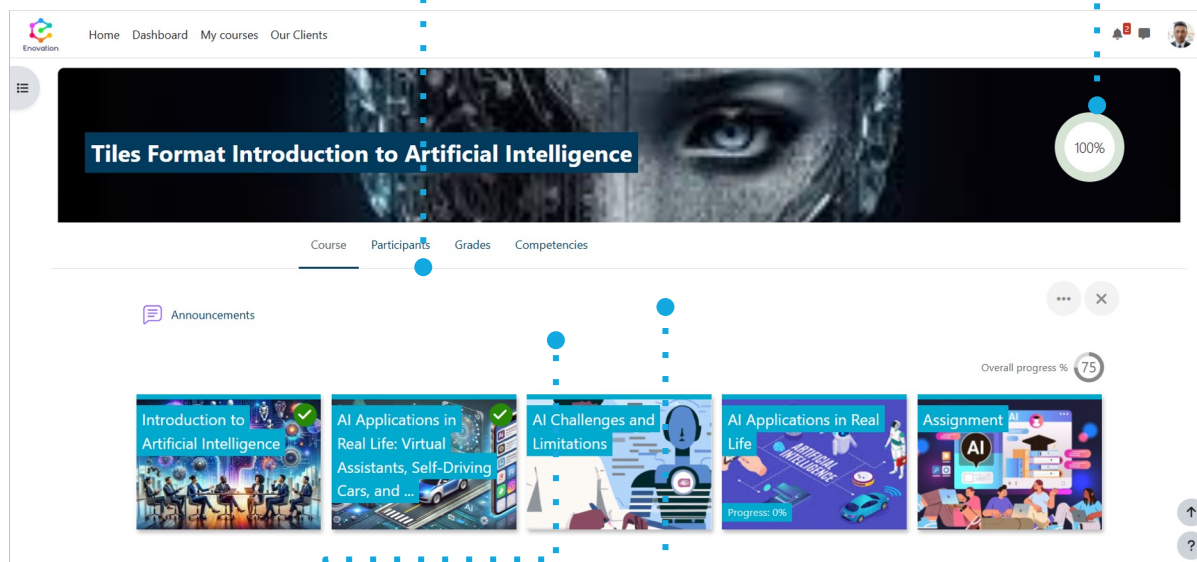

Customisable tiles

Easily change the colour, icons, image and teaser text for your theme.

Gamification and challenge

With the Progress8 plugin, you can challenge your learners to gain experience.

Access restriction

Learners need to validate milestones before continuing.

Progression and validation

Visibility of progress and completions.

Dashboard **Manager**

MANAGERS HAVE ACCESS TO THEIR
TEAMS' DASHBOARD PLUS CAN ALSO
BE A LEARNER THEMSELVES.

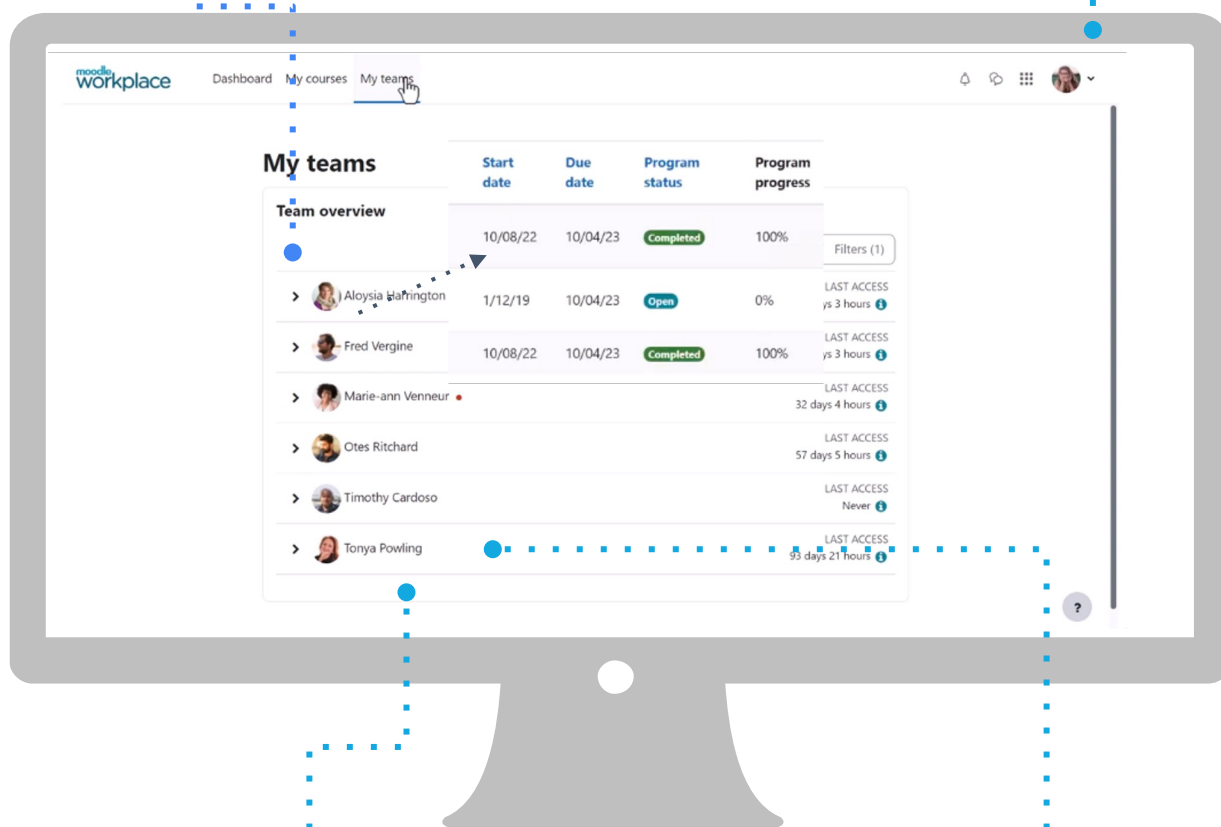

Monitoring your team

The manager can easily display his team's report for a detailed view of progress.

Display sorting

Managers can easily sort their team members with filters.

Training in progress

Managers can access the list of current training courses for their team and, depending on their role, can also suggest training courses.

Alert and delay

Managers are alerted as soon as a member of their team is behind schedule.

Integrate **face-to-face** sessions

WITH THE FACE-TO-FACE ACTIVITY, CREATE IN-PERSON SESSIONS WITH NOTIFICATIONS AND ATTENDANCE SHEETS.

Customisable

Add as many extra fields as you like (venue / price / theme...). You can also manage the number of places available.

Notifications and calendar

Set up notifications for confirmations, waiting lists, cancellations, reminders, etc. You can also notify external people. iCalendar compatible.

The screenshot displays the 'Weekly in-person catch-up' booking page. At the top, there's a header with 'APPOINTMENT BOOKING' and a calendar icon. Below it, the title 'Weekly in-person catch-up' is prominent. A navigation bar shows 'Done: View' and 'To do: Book an appointment'. A description reads 'Weekly in-person catch-up with group lead and external'. A 'Session start date' filter is set to 'Thursday, 20 October 2022'. A dropdown menu is open, showing options: 'Partially attended', 'Choose...', 'No show', 'Partially attended' (selected), 'Fully attended', and 'Booked'. Below this, two session cards are visible. The first card is for 'Thursday, 20 October 2022' from '2:00 PM - 5:00 PM' with '12' seats available and status 'Open', featuring 'Details' and 'Book' buttons. The second card is for 'Wednesday, 29 November 2023' from '9:00 AM - 5:00 PM' with '0' seats available and status 'Full', featuring 'Details' and 'Join waitlist' buttons. A 'Filters' button is located on the right side.

Date	Time	Seats available	Status	Action
Thursday, 20 October 2022	2:00 PM - 5:00 PM	12	Open	Details, Book
Wednesday, 29 November 2023	9:00 AM - 5:00 PM	0	Full	Details, Join waitlist

Attendance sheet

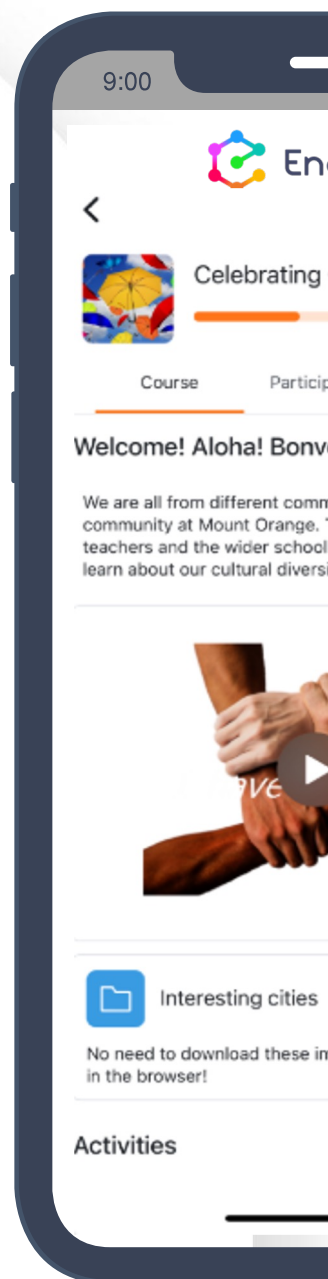

Before the session, export your attendance sheet in XLS format. And after the session, record the attendance digitally.

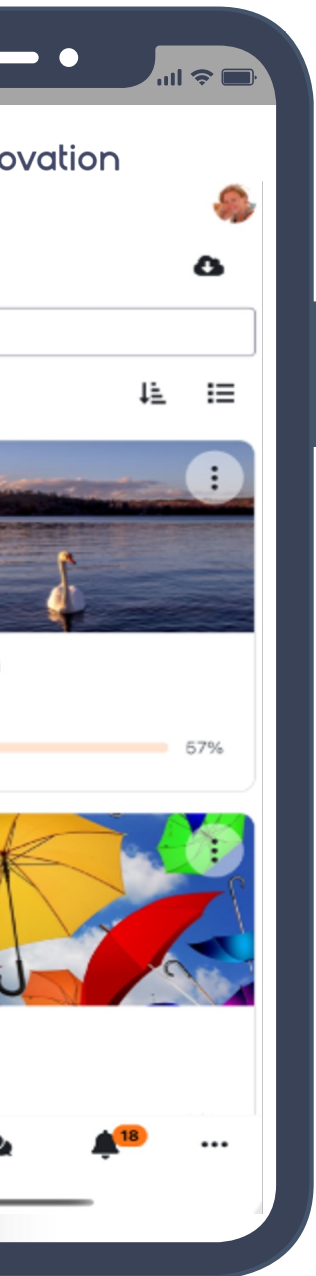

Fast registration

With a simple click, you can register or be put on the waiting list for upcoming sessions.

A dedicated **App**

A DEDICATED MOODLE WORKPLACE
MOBILE APPLICATION IS AVAILABLE ON
APPLE AND ANDROID STORES.

Mobile Application

Available on Apple and Android stores.

Available offline

For offline access.

No development required

The application gets automatically updated.

Customisation options

Ability to adapt the User Interface to your own branding.

Discover the **depth and breath of Moodle**

MOODLE WORKPLACE NATIVELY EMBEDS
ACTIVITIES AND RESOURCES.
